A new project of two luxurious villas, situated in the prestigious Agios Tychonas area of Limassol, with equally easy access to the beach and the city centre.

Located on the top of the hill, it offers a magnificent view of Agios Tychonas village and surrounding mountainous areas, and the sea. Due to its uneven surface and the fact that the architect did not want to intervene with nature, the project is designed as an integral part of the landscape. What is more, the design concept has an additional detail, which makes this project unique and extraordinary.
