Energy efficiency rating

 A

The luxury gated residential complex will be located at the heart of Limassol's tourist area Germasogeia, with 200 meters of proximity to the sea and the famous eucalyptus park Dassoudi.

The complex will consist of only six luxury 2- and 3-bedroom apartments and two 2-bedroom (plus storage room) luxury penthouses. Its residents will enjoy in-door amenities, such as a common swimming pool and spacious parking. Each apartment will benefit from the top-class features with parquet floors, marble floors and walls in bathrooms, expensive kitchen cabinets and wardrobes, a central VRV air-conditioning system, and underfloor heating are only part of the extensive list of features the units will have.
