Commercial Building in Paphos

€4,990,000

 Pafos, Paphos

€6,000,000

Bathrooms

 2

Total covered area

 3771 m²

This superb building is designed with a distinctive architectural feature, setting it apart from traditional structures.

Each floor boasts a spacious and open layout without the presence of columns in the middle.

The structural integrity is achieved through strategically placed load-bearing walls, providing not only a modern aesthetic but also maximizing the flexibility of interior spaces .

Type	Commercial Building
