## Limassol, Pissouri

190 m<sup>2</sup> Covered | 3 Bedrooms | 1 Bathroom

## Description

Pissouri is the third largest village district in the Limassol district of Cyprus, and is located in the Southwest of Cyprus just off the A6 motorway midway between Limassol and Paphos (34 kilometers from both). The main Pissouri village is located about 3 kilometers from the sea on the Cape Aspro ridge, and about 500 feet above sea level. The whole stretch is an absolutely gorgeous spot where the waves that softly lap up against a pebbled and sandy shoreline, partly cradled by the rocky cliffs that drop down to the sea, making the whole setting picture perfect. It is the administrative centre for the Pissouri District, and houses a delightful village square.

There are many charming taverns, coffee shops, as well as entertainment facilities, several chapels, and an imposing and historical Gothic church. The area is quite popular with locals and tourists in the summer, but there's always a quiet spot to be found, and the crowds don't even come close to what you would come across in the main hubs of nearby Limassol
