Limassol, Silikou

1004 m² Area

Description

A beautiful semi-mountainous village in the Kouris valley with a boisterous medieval history and a changing and variable fate, and an important stop on the winery roads with place names, Silikou village is around 20 km from Limassol. The build density is 10% and a coverage of 10% also. A maximum of 2 floors is allowed to be built so the land would be ideal for a summer home.
